

I am writing to urge you to reject the National Association of Broadcasters petition 04-160! I am a subscriber to XM Radio and rely on their instant traffic & weather in the Dallas/Fort Worth, Texas market to keep informed about dangerous weather and traffic conditions as they occur. The availability of this important service is critical to the safety of my family and I and I do not feel that I should be denied the right to purchase this service if I so choose. Thank you very much for listening to the public in this matter. Robert D. Benda
